

President and Mrs. Wilson Attend Keith's To See Pictures of Preparedness Parade; Margaret Wilson Goes to Upper New York Other News of Society at the Capital

The President and Mrs. Wilson attended the matinee at Keith's Theater yesterday. They were particularly interested in the motion pictures of the Flag Day preparedness parade. The audience applauded the pictures showing the President marching at the head of the parade.

Mrs. Margaret Wilson left Washington yesterday for a short visit to Northern New York.

The Minister of Norway and Mme. Bryn closed the Legation in Connecticut avenue yesterday and have gone to Blue Ridge Summit, Pa., to spend the summer.

An interesting event in official circles yesterday was the marriage of Miss Callie Anderson, daughter of Senator and Mrs. Hoke Smith, of Georgia, and Mr. J. Lyman Grant Pratt, which was solemnized at the residence of the bride's parents in California avenue. The ceremony was performed at noon by the Rev. Father Buckley, of St. Matthew's Church, and was attended only by relatives and a few intimate friends of the young couple. The house was charmingly decorated with pink and white spring flowers.

The bride was given in marriage by her father. She wore an imported gown of white silk net embroidered in pearls over white chiffon and satin and a white hat of tulle and straw trimmed with pearls and tiny white flowers. She carried a bouquet of white roses and lilies of the valley.

The bride was unattended. Mr. David Tait was best man for Mr. Pratt. An informal wedding breakfast for the family and a few friends followed the ceremony. Mrs. Smith, mother of the bride, wore a handsome gown of black tulle. The bridegroom's mother was given in pearl gray crepe de chene with a hat to match. Mrs. Marion Smith, sister-in-law of the bride, was in pink charmeuse and Mrs. Alston Simpson's gown was of green silk and net.

When Mr. Pratt and his bride left for their wedding trip, the latter wore a dark blue tailored suit and a sailor hat of the same shade. They will reside in Washington for about a year, after which they will make their home in New York. The Secretary of the Treasury and Mrs. McAdoo, the Attorney General and Mrs. Gregory and other members of the Cabinet, of the Senate, and the House were guests at the wedding. Among the guests who came from out of town were Mr. and Mrs. Marion Smith and Mr. Ronald Ransom, of Atlanta; and Lieut. and Mrs. Alston R. Simpson, of Annapolis, relatives of the bride; Mr. and Mrs. Richard Hull Pickering and Mr. and Mrs. H. J. Selbold and Mr. Lloyd Siebold, of Philadelphia; Mr. and Mrs. James Frank Pratt, of Pratt Junction, Mass., uncle and aunt of the bridegroom; Mrs. Julian Heath and her son, Mr. Julian Heath, of New York; Mr. George William McClellan, of Philadelphia.

Mrs. and Mr. L. T. Hess entertained at dinner last evening at the Army and Navy Club in compliment to Erig. Gen. and Mrs. Albert L. Mills and their daughter, Mrs. Emil Laurson. Invited to meet them were Col. and Mrs. Arthur. Mrs. Hess' mother, Mrs. A. K. Sloan, of New York; Col. and Mrs. Munson, Maj. and Mrs. Gerhardt, Maj. and Mrs. Anitman, and Capt. and Mrs. Embick.

A., who has been spending the winter in California, has returned to her home on Lamont street, where she is entertaining Mrs. Harry Eugene Kelly, of Denver and Chicago. "The stars incline, but do not compel."

HOROSCOPE.

Friday, June 16, 1916.

This is a fairly good day, as Jupiter and Mars are in beneficent aspect. Uranus is slightly adverse.

It is an auspicious time to seek work or to ask for increase in salary. Commerce has a sinister ruling, but merchants should prosper in trade at home or in neighboring States.

The evening is an especially favorable part of this day and conferences of every sort that look toward future enterprises should be lucky.

Political candidates have the best leading while this configuration prevails, if they avoid impetuous moves and are on their guard against deception.

The evil influence of Uranus, while not strong today, is held to be unfortunate for contracts or partnerships. It is believed to encourage jealousy.

Treachery in a political deal is foreshadowed. This may affect a man long before the public.

Indiana comes under a sway indicating great uncertainty or excitement in the fall campaign.

The stars indicate that crops in the Western States will be abundant, although unusual storms may cause losses. Nebraska has an unusually good augury.

The seeds prognosticate an extraordinary and startling complication with foreign powers, owing to disagreements or misunderstandings among American advocates of peace.

Again, an unusual number of deaths among persons high in official and public life is prophesied. A tragedy in a political campaign is presaged by the stars.

RAISE MONEY TO GIVE POOR BABIES OUTINGS

Summer Camp Committee Issue Appeal for Subscriptions to Aid in Work.

A preparedness campaign to place the National Capital in a position where it will be able to protect its babies and mothers from the sweltering heat of summer was begun yesterday by John Joy Edson, chairman of the summer outings committee. Chairman Edson's appeal read in part as follows:

"Savings the kiddies" is our slogan. We begin with the babies who are desperately ill—Baby Hospital Camp—and at Camp Good Will and Camp Pleasant we take care of other babies and children, with their mothers."

The camps will be opened about the last of this month, and the committee hopes to give at least 1,000 mothers and children an outing this summer. Whether they will succeed depends upon the generosity of the public—for it takes money to run the camps. A number of fraternal and other organizations have donated tents and other equipment. Subscriptions should be sent to the outings headquarters, 923 H street northwest.

To Fence Historic Milestone.

Ceremonies commemorating the enclosing in an iron fence of one of the historic milestones that surround the original District of Columbia, will be held tomorrow afternoon at 3:30 o'clock in Virginia on the boundary line between Alexandria and Fairfax counties, under auspices of Fairfax County Chapter of the Daughters of the American Revolution. The Washington-Virginia Railway car leaving Twelfth street and Pennsylvania avenue at 3:15 o'clock should be taken by those desiring to attend. At Hatfield station automobiles and carriages will be waiting to convey visitors to the site of the stone.

The close of a woman's career which has been most distinguished is predicted. The stars are read as foreshadowing the passing of old groups of celebrities and the rise of young leaders among both men and women.

Persons whose birthdate it is have a happy augury for the year. Financial conditions should be satisfactory. Children born on this day probably will be persevering and reliable. Girls have a kindly planet to guide them in love affairs.

HERALD CLASSIFIED ADS. BRING RESULTS

THE VOGUE FOR TAN COLOR.

A soft shade of tan is one of the most popular on the list for the coming season, and it is found in all sorts of modish material. Here it is shown in taffeta, of the soft supple, quality so much in vogue, and the white net vest and collar provide a note of contrast. This is a strikingly good design, the skirt finished with two full platings and the tunic arranged in soft folds that give just the required degree of bouffancy. The elbow sleeves are a change from the prevailing long model,
